It should have been included in the cost, because we had definitely discussed that with Shannon. However, I believe that they can apply through Cultural Affairs for the graffiti coating.

Hey,

Some clarification below from 11:11 on the \$1K for each box.

On another note, do you want to host that future Artwalk meeting or shall I?

No, it is not part of the 1k. Each artist gets paid \$750 to create the artwork and maintain it for two years. The remainder goes towards mapping the painted boxes on [streetboxart.com](http://streetboxart.com) and admin.

Hi Erin,

At our board meeting today, we tabled the anti-graffiti coat item I brought forward until next meeting.

The council office brought up that they thought the anti-graffiti was in the \$1K budget for each box. Please clarify on this when you get a second.

Thanks,  
Aaron
